

AICRP on Cotton

Announcement

28:02:2010

For Non-Bt Entries and proposals

1. The last date for receipt of the Release proposals for Variety Identification Committee Meeting, 2020 scheduled to be held at Udaipur during annual group meeting of AICRP on cotton is **15-03-2020**. Kindly send soft copy of the proposal complete in all respect in the prescribed proforma in **pdf format** latest by 15-03-2020. Also, kindly send five printed copies to the Project Coordinator, Coimbatore on or before 15-03-2020. Apart from the above, you are requested to bring 10 printed copies to the meeting venue. Kindly note that no proposals will be considered received after 15-03-2020.
2. The proposal for inclusion of Non-Bt entries in various breeding trials for the year 2020-21 may kindly be sent by mail to me **on or before 15-03-2020**. The proposal must contain yield and other ancillary data for a minimum three years period, without which the entries may not be considered for the trial.

For Bt Entries for AICRP trials

1. The list of new Bt cotton hybrids / varieties to be included in the ICAR Bt cotton trial for the year 2020-21 may kindly be sent indicating the zone of test, situation (irrigated / rainfed) **on or before 15-03-2020**. The trial will be formulated in the group meeting scheduled during April 7-9, 2020 at Udaipur. For time being, only the name of the hybrid may be sent and other requirements as per the ICAR approved guidelines may be submitted at the time of submitting the seeds for coding.
